Musical and Performing

Whether you want to be entertained, or part of the action – or a little of both - we have something for everyone

Drumming Workshop

Expressive and collaborative, group drumming is inspired by team work and a love of music that anyone can take part in.

Incredibly fun and creative, 'Drum Circle' can enhance your team and their communication skills, helping your group and business thrive.

Throughout history drumming has been used as a form of communication. From ancient tribes to armies of the world; from religious ceremonies to music therapy in medicine - rhythm surrounds and permeates every aspect of our daily lives.

Taking groups of between 10 to 1500 people, we can effortlessly transform them into an exciting drumming orchestra! Supported by REMO (the largest drum company in the world) we can also offer you the largest selection of high quality instruments around. Within a very short space of time our superb Drum Facilitator (the 'Conductor') will get your group, playing music together and blending simple African beats with Samba rhythms.

Both practical and fun, our high impact 'Conductors' will energise the room, delivering new challenges to the team that will promote both commitment and focus. This creative workshop is a platform where individuality can be expressed, transforming your group into a high performance drumming team!

Benefits: Promotes high energy fun, highlight business messages, transcends hierarchy, age and cultural barriers, brings departments together, and creates a unique company sound.

CREATE A MUSIC VIDEO.

This is a team building event like no other - we bring the equipment, outfits and facilitators so you can recreate a famous music video!

Teams will need to work together to pick their roles, record their own vocal parts over our pre-recorded backing track, choose their costumes and plan their video - which is 'shot' on location.

Not only awesomely fun, it also brings teams together in a creative environment, from 'brief' to music video, in a short time-frame. After the event, we then professionally edit and send the footage to you as an everlasting memento of the day.

The 'final edit' is often shared regularly between colleagues - an experience that lasts long into the future.
